## ALWAYS WELCOME

A Challenge student named Madi, who is studying theater at UNC, started praying that God would give her a friend in her theater program that shared her faith in Jesus. God answered her prayer when she met Kenzie. Madi quickly invited Kenzie to attend a Challenge Community Group (Bible study) with her. Kenzie faithfully attended the Community Group and developed closer relationships with the girls in the study, but never came to any other Challenge events throughout the fall. With encouragement from her group, she made the leap to attend the Life Impact Conference. At the end of the conference, she shared with the UNC Challenge group that, "Not only has everyone been welcoming to me, but they've been welcoming to every person that they've talked to..." Since then, Kenzie has become a part of the larger community, and she wants to spend as much of the time that she has left at UNC being invitational and intentional with others on campus.

Two days after the conference ended, the spring semester began! Our staff and student leaders set up a Challenge promotional table on campus every day during the first week and had welcoming events in the evenings. On the coldest night of the week, we had planned to have S'mores outside the Student Union. We almost cancelled because it was so cold, but we decided to stick it out and a couple freshman named Cameron and his girlfriend Zoe stopped by. Both Cameron and Zoe were looking for a Christian community on campus and have since joined Community groups and faithfully attend the weekly meeting!

Another student (Sammie) was walking through the University Center this past Wednesday when she came upon our Freshmen Community Group. She stopped to talk to the group, and they found out she was a freshman and looking for a Christian community to join. The group enthusiastically invited her to stay for the Bible study, and she did!

## PRAYER REQUESTS

- Praise God that students are being united to one another at UNC because of Jesus! Pray for Kenzie, Cameron, Zoe, and Sammie.
- Pray for our upcoming men's and women's retreats, and for travel safety.
- Pray that upcoming Challenge events on campus would be welcoming and intentionally outreach-focused.
